The academic policy and student's complaisance:

Students are required:

• The student have to respect the schedule of classes and have to be attentive at teaching;

• Be regular in lectures

• The student must be an active participant in lectures, (as the expected book for development of the subject is the book which deals mainly with topics in the form of exercises, and as such it requires continuous cooperation between teacher, students and student's book).

- Be accurate on time
- To comply with all educational rules

• Students are obliged to present and possess ID Card in Midterm and Final Exam.

Note:

Attendance is a prerequisite for students who wish to gain proper knowledge of this subject. Students who attend regularly the course will be able to participate actively in class, giving their concrete contribution during interactive lectures and during exercise. Therefore, their contribution of their participation and learning and homework will be evaluated throughout the semester-percentage according to defined criteria.
